

***DRAMA BOOSTERS Family Sponsorship Program***

Sponsors are an important aspect of our drama program, and we have received inquiries from our families about a family sponsorship program to allow families to provide financial support for the cost of our production on top of the support their registration fee provides. This is common with many drama programs and of course, it is purely optional. As you know, our program is almost completely self-funded, so every donation—large or small—is important. Starting each school year, provide the following levels of annual family sponsorship which will be listed in SMHS Playbills for the next twelve months.

**Member: \$80** Our welcome level. Gives you access to discounted tickets during the 2016-17 school year.

**Level One:                    \$250**

Families donating \$250 will receive Level One status mentioned in our Winter Souvenir playbill for the 2017-18 school year and will receive four free VIP tickets to be used in any production.

**Level Two:                    \$500**

Level Twos will be given a cast t shirt and DVD for one production plus six free VIP tickets to be used in any production and will be listed as a family sponsor in Winter Souvenir playbills for the 2017-18 school year.

**Level Three:                \$750**

Members of Level Three will be given free tuition for one show, a cast t shirt and DVD for one production, ¼ page playbill ad for one production if camera ready artwork is received by playbill deadline, plus six free VIP tickets to be used in any production and will be listed as a family sponsor in our Winter Souvenir playbill.

Sponsors can also order additional paid-for VIP seating if coordinated with the tickets team prior to tickets going on sale and indicate their VIP ticket order quantity by that same day.
